Addendum No. 1

Issued: September 28, 2015

This Addendum No. 1 is issued and hereby published on the DGS website on September 28, 2015. Except as modified hereby, the Request for Proposal (RFP) remains unmodified.

**Item # 1** Questions and Answers

**Question # 1**

Section B.1.1.4 refers to needing additional equipment such as a Bobcat and/or Tractor. However there is no item listed in the price sheet for such equipment. Will DGS add these items to the pricing sheet?

**Answer**

Yes. Please see revised Bid Form attached to this Addendum No. 1.

**Question # 2**

Section B.1.1.3 indicates that the contractor shall only use sand on asphalt. However historically we have been using rock salt. If rock salt is not needed, shouldn't it be removed from the price list sheet?

**Answer**

Both salt and sand is needed. Salt is mainly used, but during very bad icy conditions and when the temperature drop below freezing we generally use a mixture of sand to provide traction on parking lots primarily.

**Item # 2** Attachment I – Form of Contract is attached to this Addendum No. 1.
